

The mission of the Montgomery Parks' Marye Wells-Harley Dream Camp Scholarship is to provide camp scholarships to young people, ages 6 – 14, from diverse backgrounds within Montgomery County. Summer camps provide children opportunities to push beyond their comfort zone and try something new, build social skills, grow emotionally, build confidence, be physical, and have fun. We believe camp is a place that changes lives, and we want every child to have the opportunity to experience the joys of summer camp. M-NCPPC recognizes that many residents are financially unable to participate in Summer Camp Programs and remains committed to serving the needs of all residents of Montgomery County.

The information in your application is kept confidential and will be used for the sole purpose of establishing financial need. All scholarship awards are need-based, and will be given out until all scholarship funds for the season are gone.

Scholarship FAQ:

For how many scholarships can I apply?

To extend scholarships to as many campers as we can, scholarship awards are limited to one week of programming per camper per year. One application is required per camper.
